

# LEOMINSTER TOWN COUNCIL

## GRANT CRITERIA 2019/20

Leominster Town Council values the community sector and will make financial grants available for its on-going work. The Council's grants programme is designed to build up the capacity of small groups in the community and to encourage the development of new groups.

The Council has powers to give financial aid under various statutes, notably the Local Government Act 1972:

- s137 in respect of expenditure for purposes not otherwise authorised, which are considered to be in the interests of, and bringing direct benefit to, the area and its community;
- s142 in respect of provision of information concerning services available
- s144 in respect of encouragement of visitors; provision of conference & other facilities.
- s145 in respect of provision of entertainment or development of arts and crafts.

Local Government (Miscellaneous Provisions) Act 1976:

- s19 in respect of provision of recreational, social and sporting facilities;

There is a limited budget each year for grants and the amounts requested often exceed the fund available. It is therefore important that all the questions on the application form are answered as fully as possible to provide a detailed picture of your proposed project or of the activities of your organisation within the town.

Applications are accepted at any time throughout the year, and can be made for help towards a special project, or the everyday running costs of your organisation (see below). Please see the meeting dates when grant applications will be considered and decisions made.

There is a Grants Fund agreed within our annual budget for us to give away during the year as single grants under £1,000, and these are disbursed quarterly.

Remember; we are a Town Council, and our resources are limited. Most grants are given for a maximum of a few hundred pounds only, although we do give larger amounts.

Applications for amounts over £1,000 are assessed twice a year, before the end of in April and in October, and any awards may be individually identified within our budget plan and included in the Council Tax precept for the following year. If you wish to apply for a grant that exceeds £1,000 you MUST meet these deadlines.

Revenue support grants (sometimes called "core-funding grants") can be given as a contribution towards the running-costs of an organisation: staff costs; rent; operating costs etc. These will be strictly limited to 3 years, with an automatic reduction of one-third in year two and one-third again in year three. This is to help organisations in their formative years, or in the early stages of a project, but encourage them to plan thoroughly, and become financially self-supporting.

### GRANT CRITERIA 2019/20

Continued revenue support for organisations beyond three years can only be made by formal agreement outside the grant scheme, when it will be individually identified in our budget plan. Contact the Town Clerk to discuss.

Applications are assessed every two months by the Finance & General Purposes Committee except during the months of July, August and September when there is no Committee meeting. Grant applications will not be considered during these three months. The Committee has the delegated authority to award grants based on the applications received and whether they meet the Council's criteria.

Applications are reviewed by the Committee and their merit is assessed. The assessment covers five categories:

- How closely the proposed project or organisation matches the policy of our grant scheme;
- The general "robustness" of the proposal – its perceived likelihood of success or sustainability;
- The thoroughness of the financial planning (e.g. how prudent are assumptions? is other finance in place?);
- What is the scale/scope of the plan? Who benefits; how many people, or special groups?
- A general assessment of the application; allowing for any special circumstances or considerations.

Leominster Town Council will ratify the grant award decisions made by the Finance & General Purposes Committee.
